

Stay & Play at Wyndhurst Manor & Club in Lenox, MA

By Dave Daubert

An exciting new golf package from Wyndhurst Manor & Club, situated on 360 picturesque acres among the Berkshires in Lenox, MA., is now available. Built by famed architects Wayne Stiles and John Van Kleeck in 1926, Wyndhurst Manor's historic golf course is one of the Northeast's most iconic and features unforgettable, scenic views of the rolling hills in western Massachusetts. At Wyndhurst, a year-round destination where historic elegance meets modern luxury, guests can immerse themselves in nature, culture, history and the arts. Tanglewood, the summer home of the Boston Symphony, is just a few miles away and back open for its summer series July thru August.

Starting this month, Wyndhurst will offer a "Stay & Play" package through October 31, 2021, for guests to experience the tranquil splendor of the Berkshires while enjoying a world-class golf experience. The 6403 yards, par 70, 18 holes celebrated Miraval course combines spectacular vistas with a challenging layout. Tree-lined fair-

ways and naturally contoured bent-grass greens have been carefully preserved since opening in 1926 on the site of the Berkshire Hunt Club. The front nine is a warm-up for the upcoming narrow fairways and undulating greens that run through the final nine. To take your game to the next level: there is a 10-acre driving range, short-game practice area, a new practice putting surface, and instruction available from Director of Golf Luke Salvatore. The course is open from April through October.

Guests can enjoy a variety of beautiful accommodations ranging from the grandly restored eleven suite and room Gilded-Age Tudor-style Mansion to the family-friendly charming cottages to the historic 28 rooms and suites located in the Queen Anne style shingled Beechers house with a central gable.

Other amenities at Wyndhurst include the Miraval Life & Balance Spa, 2 options for superb fine dining, 8,000 square feet of event space, an outdoor pool and plenty of spots to relax with a book or just view the beauty of the Berkshires.
