WYNDHURST GOLF & CLUB

Aqua Barre ~ This barre & pilates class is in the water. Lengthens muscles, improves posture and strengthens the core

Aqua Fitness ~ A powerful and fun class, that burns calories, builds muscle, strengthens, improves coordination, and flexibility in the Wyndhurst Club pool

Bogalates Pilates ~ This is an aqua class that combines the elements of both yoga and pilates. Engages the core muscles all in the pool

Cardio & Core ~ Looking for a cycling class? This class will begin with hip and core activation techniques before focusing on increasing aerobic capacity through cycling

Fix Your Posture Pilates ~ Open up your spine, create mobility, and release tightness in your back. You then move to mat pilates

Functional Fitness ~ Total body workout that is designed for those who want to push themselves to increase their aerobic and anaerobic capacity

Gentle Pilates ~ Gentle approach to pilates with emphasis on opening up the spine and connecting with your core

Golf & Tennis Injury Prevention ~ Will help alleviate the common injuries associated with repetitive rotational sports through a low intensity total body workout

Healthy Hips ~ Focuses entirely on the hips and connecting muscles. We gently open the hips, strengthen then stretch them to release tension and increase flexibility

Just Roll with It ~ Tissue pliability and postural mobility obtained through myofascial release techniques in addition to some light active range of motion drills

Longevity Stretch ~ A class that mixes in mobility, tissue work, and stretching to concentrate on areas of the body with the goal of promoting pain free movement

Morning Stretch ~ Start your day with breath work and a relaxing flow of stretches that hit every part of the body, head to toe

Movement & Meditation ~ Putting an emphasis on alignment and balance this class helps to improve flexibility, coordination, along with hip and core strength

Movement Medicine ~ Ground based movements class incorporating body weight exercises and mobility to create a better moving body

Pilates with Props ~ Use props to target muscles, different than a standard pilates class

Total Body Strength ~ Focus on building strength, range of motion, and functional movements that will help improve your everyday life

Yoga Breathe & Meditate ~ Develop focus flexibility and energy in this one of a kind full emersion into the practices of yoga. Great for all levels of familiarity with yoga (75 Minutes)

Yoga Flow ~ Emphasis on body awareness and acceptance. This class includes both floor & standing postures along with breathing and relaxation techniques
